Gen Secretary :Shri R K Chauhan, former SBSO

Jt Secretary cum Cashier :Shri R C Kochhar, Former Adm Offr

Food Member :Shri J S Tyagi, Former Asst Engr

Executive Members ;

Four I on behalf of the whole team thank all of you for re- electing me and my team .

I am truly honored by the trust you have instilled in me and my team and my team .

Taking advantage of the occasion , I wish to convey following points where I need support from all the members .

1. Our present strength is around 220 . This can be even more if all the officers retiring join us . It is requested that all of us to convince the newly retiring officers to join the forum.
2. In case you find any retired officer or his family needs help , please do let us know . We will try to help them in the best possible way.
3. The get together is held once in three months. I request that large number of members with their families should attend .Secondly it is seen on number of occasions that some member though give confirmation of attending but do not turn up .Due to this not only food is wasted but Association suffers a monetary loss as caterer has to be paid for the minimum number given .
I am attaching few pics of the AGM .

Thank you once again and all the best.
Kolhi
